

Boilermakers

Work Type: Full Time Sub-Classification: Maintenance
Area: Hunter Valley Company: Kirfield

Application Closing Date: 30/9/11

- Mining Industry
- Excellent pay
- Permanent positions]

Kirfield is a specialised construction and maintenance company. Due to continued growth, we are currently seeking several experienced Boilermakers to fulfill maintenance contracts within the Hunter Valley. You will be working on various mine sites completing maintenance work in the Opencut and Coal Handling Preparation Plants.

Minesite inductions would be advantageous, but not essential.

A high regard for Safety and Quality is a must.

If you are looking to become part of a large multidisciplinary maintenance team, focused on Safety and Quality of workmanship, then apply today.
